

**DEPARTMENT OF FINANCE AND ADMINISTRATION
DFA DIRECTOR APPROVED CLIP PROJECTS**

FY07

ATTACHMENT H

Director Approved CLIP Projects FY07

Project Name	Requesting Office	Description
Pay Plan Study as dictated Act 1015 of 2005	OPM	This Act requires OPM in conjunction with Legislative Research to conduct a comprehensive study of the state's pay plan and make recommendations no later than October 2006.
AASIS Development and Implementation – OPM State Role	OPM ASC	Projects related to AASIS application components initiated by either OPM or the AASIS Support Center as deemed necessary.
Planning, Budgeting & Administrative System (PBAS)	Budget ASC	Maintain and monitor the planning, budgeting & administrative system (PBAS).
DFA Emergency Operations Plan Development and Maintenance	Accounting OIS	Maintain an 8 member DFA Emergency Operations Planning Council to refine existing plan to focus on meeting the needs of State government and DFA in the event of disasters/emergencies which affect critical DFA processes.

NOTE: Although requested by a specific office, a project may be listed as CLIP criteria for any DFA employee who may be assigned to the project; the projects are not restricted to the requesting offices only.
